

The School of Universal Worship & the School of Healing Ministry present:

Life Transition Training for Spiritual Caregivers with Devi Tide and Shahabuddin Less

Session 1: December 9 to 14, 2008

Session 2: May 6 to 10, 2009

Session 3: December 2009

Registration deadline is October 15, 2008.

For those interested in bringing a healing presence to people going through life transitions, this course combines the work of the Universal Worship and that of the Healing Order, bringing a deep experience of the Masters, Saints and Prophets and also an awakened healing presence into the transitional environment. The training is intended for those who are currently chaplains, cherags, healing conductors, and those who work in the field of healing.

This program allows participants with family and work commitments to take part in an extended course of study. Three face-to-face meetings over one year take place in Sarasota, Florida.

Between meetings, home-school modules have been developed using CDs, texts & practices. Participants will receive bi-monthly mailings. Regular contact with Devi & Shahabuddin via conference calls will be scheduled. Mentor groups will provide additional support. Participants are encouraged to undertake a personal retreat during this year.
